Forming Consciences for Faithful Citizenship

The Catholic bishops of the United States are pleased to offer once again to the Catholic faithful **Forming Consciences for Faithful Citizenship** also(en Español), our teaching document on the political responsibility of Catholics. This statement represents our guidance for Catholics in the exercise of their rights and duties as participants in our democracy. We urge all people of good will to use this statement to help form their consciences; to teach those entrusted to their care; to contribute to civil and respectful public dialogue; and to shape political choices in the coming election in light of Catholic teaching. The statement lifts up our dual heritage as both faithful Catholics and American citizens with rights and duties as participants in the civil order. Please say a special prayer for those in need who have no one to pray for them.

A Word from Servant of God Isaac Hecker, Founder of the Paulist Fathers

“God is not extinct nor are religious motives effete. The mistake ... consists in supposing that the present is the finality of Christianity, whereas the hand of God is opening the way by purifying His Church, by directing the movements of nations and the issues of the world, to the end that she may shape the coming future beyond all past experience in her progressive approach to the perfect realization of her Divine Ideal.” [The Church and the Age, 1857]

If you have asked Father Hecker to pray for you or another person who is ill, and you believe something miraculous has happened, please phone Fr. Paul Robichaud, CSP, at 202-269-2519 and tell him your story.
